Katie Rankin  
Olga Aguila  
Gianna Rodriguez  
Tracy Barkhuff  
Dawn Rivera  
Willie Emerson  
Willie Brown

### **Previous Action Items:**

- Gate Installation
  - Approved - waiting for it to be manufactured
- Asphalt Repair and Replacement
  - Done and completed - repainted

### **Review of Accidents since Previous Meeting:**

None

### **Recommendations for Prevention:**

- Review workplace safety if necessary - reviewed with individuals

### **Anonymous Recommendations:**

- None

### **Suggestions:**

- DR: Take off labels from parking spots - so not easily identified. For safety of staff - replace with "Reserved"
- WE: Hand Sanitizer machines on campus - is it possible to get some to promote usage of
  - By room 15, entrance gates - for use as soon as enter school, maybe bathrooms
  - OE: stated - "is not a good idea student can drink it place it on their eyes etc. That require supervision."

### **Recommended Updates and New Actions:**

- OA: New eye wash station in Health Office
- WB: BAck gate - has bend in it
  - WE: Time for back gate to be open - and then a specific time for it to be closed - so it is not always properly locked and in "super knot" - can it be a rolling gate instead of what is there now?
- WB: Water puddles on playground - nothing wrong with sprinklers
- KR - will email staff about gate closures necessary
- KR: Need to reform committee next year

### **Recommendations from Accident Investigation Reports:**

None

### **Training Recommendations:**

None

**Comments:**

DR: Is there a specific line item in the budget for safety?

Motion to adjourn: 8:27 am
